New Hampshire Transitions to SBS Solar

Effective Friday March 6, 2020 at 4:00 pm central time New Hampshire Gateway applications will be suspended to prepare for the SBS Solar transition. Gateway processing will be made available on Thursday March 12, 2020 at approximately 9:00 am central time. Any transactions submitted during this period will be rejected.

For Individual licensees, the National Producer Number (NPN) will be used as the New Hampshire license number. Licensees can search for the National Producer Number at [NPN Lookup](#).

Also, during the transition New Hampshire companies will be assigned new license numbers. The new license numbers will be 10 digits in length and contain numerical values. On or after March 11, 2020 NIPR will update this notification with the following company information:

1. Company Name
2. NAIC Company Code (Cocode)
3. Current License Number
4. New License Number
